

ATTENTION TRIBAL HARVESTERS!

GLIFWC is purchasing this traditional food
for lead testing:

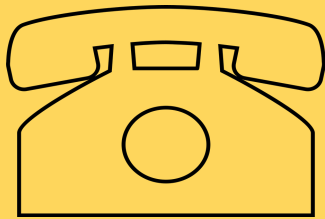

MAPLE SYRUP

Photo credit: Randy Croce (1984)

Accepting maple syrup
harvested & processed
within the ceded territories
-either pints or quarts

*Tribally-harvested maple syrup
samples will be tested for lead content
*Your contributions to this study will
help GLIFWC better understand
possible lead contamination from syrup
processing**

Harvesters will be paid: **\$15/pint or \$25/quart**

Please contact Candace Kraft at (715) 685-2174 or (701) 840-9451
to schedule a sample collection appointment or for questions.
