

Instructions for using GLIFWC's phone registration

Deer, turkey, and cranes harvested off-reservation can now be registered over the phone at GLIFWC's toll free harvest registration line: 844-234-5439. To register your harvest, you will need your NAGFA ID number which can be found on your hunting license (figure 1), and, if registering a deer, the carcass tag number (figure 1). If you have this information available, please press 1 to continue, otherwise please call back when you have this information ready.

Figure 1. Off-reservation hunting license with NAGFA ID# and carcass tag# highlighted.

Please enter your NAGFA ID number followed by the pound key (#).

Now we will ask you about the harvest type. For Deer, press 1, for turkey press 2, for Crane, press 3. To repeat, press the star key (*)

Using your phone's keypad, please enter the date of the harvest. Use 2 digits for the month, 2 digits for the date and 4 digits for the year in month, day, year format. For example, for January 2nd, 2017, enter 01022017. Please finish your entry with the pound key (#).

In what state did the harvest take place? Press 1 for Michigan, press 2 for Minnesota, press 3 for Wisconsin. To repeat the question, press the star key (*)

Next, we need to know in which county did the harvest occur?

Using your phone's keypad, please type the first four characters of the county name followed by the pound key (#). For example, for Bayfield County, enter 2293 which corresponds to BAYF on the phone's keypad (figure 2).

Figure 2. Phone keypad.

If you selected deer:

What type of deer did you harvest? Press 1 for antlered, press 2 for antlerless.

Thank you. Now we need the Carcass tag number.

Please enter the Carcass Tag number followed by the pound key (#).

Was this deer harvested at night? Press 1 for yes, or press 2 for no.

Was this deer harvested over bait? Press 1 for yes, or press 2 for no.

Next, we request the management unit of Harvest (*skip if state=Michigan*)

If you selected Wisconsin

Please enter the two or three-character code for the deer management unit. For letters, use the corresponding digits on your phone's keypad. Please finish your entry with the pound key (#).

If you selected Minnesota

If the permit area is a state park, press 9, otherwise, please enter the three digit permit area code followed by the pound key (#).

If you selected State Park

For St. Croix State Park, press 1
For Wild River State Park, press 2
For Crow Wing State Park, press 3
For Banning State park, press 4
For Mille Lacs Kathio State Park, press 5
For William Obrien State Park, press 6
To repeat these options, please press the star key (*)

If you selected turkey:

What is the sex of the Turkey? Press 1 if spurs are present on the turkey's legs (*male*), press 2 if spurs are absent (*female*)

If you selected Wisconsin

Please enter the one-digit code for the turkey management zone followed by the pound key (#).

If you selected Minnesota

Please enter the three-digit code for the turkey permit area followed by the pound key (#).

Thank you for registering your harvest with Great Lakes Indian Fish and Wildlife Commission. You will now be given a confirmation number. After the confirmation number is provided, you can press the star key (*) to repeat it. Your confirmation number is : "SG0000000"

To register another harvest, please press 1, otherwise, you may hang up now
