

# New Recording Now Available!

"GLIFWC's Chippewa Ceded Territory Traditional Food Regulatory System Project" (a.k.a GLIFWC's Model Food Code Project) has now made available topic based community interest webinars co-hosted with community partners.

The most recent release was provided for the Lac Vieux Desert community and focuses on walleye.

The information is specific to GLIFWC member tribes and is current to **June 10th, 2020.**
