Thank you for supporting education for tribal youth in our community!

We're so excited to have you join us for our Summer Daze Classic Golf Benefit. For our 3rd annual event, we're heading to the Big Fish Gold Club near Lac Courte Oreilles near Hayward, Wisconsin.

While this event is a lot of fun, we thank you for your participation to help support GLIFWC's Internship Program and tribal youth outdoor initiatives.

GLIFWC provides natural resource management expertise, conservation enforcement, legal and policy analysis, and public information services in support of the exercise of treaty rights during well-regulated, off-reservation seasons throughout the treaty ceded territories.

Enclosed you will find the tournament sponsorship packet, please review the packet for the level that best matches your business goals and contributions. If you have any questions, please contact our Executive Admin., Jenny Krueger-Bear.

On behalf of our member bands, tribal youth, and the communities we serve, chi miigwech. Thank you for registering and good luck!
